**Sub:Blank envelop without ballot send by West Bengal Medical Council.**

Sir,

Ballots for Teacher's Constituency have started reaching medical colleges. We are deeply disturbed to note that many of the envelopes are empty and do not contain any ballot. The absence of ballots in some places has been reported to be almost 100%.

It is difficult to imagine that this mischievous incidence can occur without connivance of the officials.

We demand immediate correction and resending fresh ballots to all teachers in all Medical Colleges.

Once again soliciting your response at the earliest.
